

## **Job Posting**

### **Commercial Front Load Driver – Hamilton District**

We have an immediate permanent full time opportunity for a safe and productive driver to join our Hamilton District team.

#### **Qualifications**

- DZ driver's license
- Good driving and safety record
- Truck driving experience, front load waste experience strongly preferred
- Hard working and flexible
- Experience in the waste and recycling industry is a definite asset
- This role requires someone is able to safely and effectively operate a front load waste collection vehicle

#### **Responsibilities**

- Complete a front load waste or cardboard collection route daily
- Focus on safety, including complete pre and post trip vehicle inspections
- Focus on customer service ensuring that all customers are serviced
- Deal with all customers and co-workers in a professional and courteous manner
- Complete daily route sheet and vehicle inspection report paperwork

We offer full training, competitive wages, and an excellent benefits package.

**Interested candidates may submit a resume and driver's abstract in one of three ways:**
